Of Interest to People of this Community

There are perhaps more people today suffering from heart burn, sour stomach, bad breath, nausea, belching, and other irregularities arising from indigestion, than from any other ailment.

In this regard the Elk Drug Store takes pleasure in recommending to our readers the well known remedy, Kodol, for dyspepsia and indigestion. Kodol is a scientific preparation. It is a combination of vegetable acids with natural digestants and it contains the same juices found in the stomach of a healthy person. It is undoubtedly the most effective, prompt and satisfactory remedy we know of for stomach disorders.

Mr. Shelton, our popular druggist, has sent us a letter from a prominent resident of the state of Georgia, who tells his experience with Kodol. We gladly reproduce this letter.

Dear sirs:—"I have suffered more than twenty years from indigestion. About eighteen months ago I had grown so much worse that I could not retain anything on my stomach. My heart would beat so fast I could not sleep. At times I would almost draw double with pain in the pit of my stomach. I lost 25 pounds. I now weigh more than I ever did in my life and am in better health than for many years. Kodol did it. I keep a bottle constantly, and write this hoping that humanity will be benefitted." Yours very truly,

JAKE C. MOORE,
State Warden.
